## MESSAGE

Dear fellow academicians,

स्वम्मा-घणी

After a relatively long lull on the IAP socio-academic front due to the virus, the IAP Barmer branch intends to bring activities back on track with a bang!

What can be more exhilarating than a destination conference at the most enchanting tourist spot in Rajasthan ! Jaisalmer, in particular, embodies the essence of this endeavor, with its picturesque desert landscape, magnificent sandstone architecture, and warm hospitality. We believe that by organizing the conference in one of the most happening places in Rajasthan, we can combine the exchange of knowledge with an unforgettable experience that fosters new friendships and lasting memories.

The conference will bring together renowned paediatricians, researchers, and healthcare professionals from around the country. The agenda is designed to cover a wide range of topics, including the latest advancements in paediatrics, emerging trends, breakthrough research, and evidence-based practices. We have carefully curated a diverse panel of speakers who are esteemed experts in their respective fields. Their insights, along with the interactive sessions and workshops, will provide you with invaluable opportunities to enhance your knowledge and sharpen your clinical skills.

We strongly encourage you to share your own research findings, case studies, and success stories through oral or poster presentations. This platform serves as a forum for constructive discussions, where you can engage with your peers, seek guidance from experts, and contribute to the collective growth of our field. We also intend to bring together young, promising talent with top experts to make it an insightful learning session.

We assure you that we would leave no stone unturned to make this meet delightful for you to carry fond memories back home. Let us then immerse ourselves in the rich cultural traditions and festivities of the desert at the dawn of the winter season.

So, Organising Team Desert Pedicon 2023 once again requests you to block the dates (3-5 Nov. 2023) for this mega event. It would be an honor for all of us to see you here.

## ABOUT JAISALMER

Nestled in the heart of the Thar Desert, Jaisalmer in Rajasthan evokes a rustic charm, princely vibes and bedouin-like feeling amidst its undulating golden sand dunes. Being one of the most significant focal point of Rajasthani architecture and culture and being India's last frontier on the west, Jaisalmer is a potpourri of myriad experiences and adventures.

The most iconic landmark of Jaisalmer is the magnificent Jaisalmer Fort, (Sonar Qila or the Golden Fort), which stands atop the Tirkutia hill and casts a spellbinding aura over the whole city.

Beyond the fort, Jaisalmer boasts several other architectural marvels that reflect its glorious past. The Patwon ki Haveli showcases stunning craftsmanship and serves as a testament to the opulence of the merchant class. The Salimsingh ki Haveli and Nathmal ki Haveli are also noteworthy for their intricate designs and historical significance.

The city is also renowned for its unique camel safaris that allow visitors to explore the vast desert, witness stunning sunsets, and experience the nomadic lifestyle of the desert dwellers.

As dusk falls, the city comes alive with enchanting music and dance performances. Traditional Rajasthani cuisine, known for its flavoursome curries and delectable sweets, further adds to the culinary delights of Jaisalmer.
